The complaint was that S no. 13 in Kaiyampatta Kanganathapura Village, Bangalore Taluk, endowed to Sri Vara Simhaswamy temple had been alienated through permanent lease. The parties were heard by Govt, and it was directed in order no. 1299 Ds Confd 2-3-1925 that it cannot be said that the ownership of the land in question by the temple as against the Respondent who claimed it as his personal property had been established beyond all doubt. Govt declined to interfere with the possession of the lands and the parties were referred to Courts.

The temple in question is a mujrai inam, and on the strength of the hypothecation by the Mokhasadars Varadachar, the petr prays Govt to interfere in the matter and take the lands under Govt management may a report with records be called for?

The petitioner is an Adi. The point in this application made by the Archak that the temple possesses no Inam land, fetching Rs 6 a year, and requests that Govt. should make enquiries & find out which that land refers to before Archak is can take it under Govt. management. As this petn does not specifically refer to S no 13 which forms the subject matter of the appeal before Govt., the petitioner may be returned to present to the Local Mamlat Officer
